

Sea Colony Aqua Sports

Maryland's largest and oldest PADI 5 Star Training Facility

Advanced Open Water Scuba Program 2019

Description

This course helps you increase your confidence and build your scuba skills so you can become more comfortable in the water. This class consists of almost all diving and no written tests! Prior to your certification dives, you will independently read the textbook and complete five knowledge reviews. The suite of adventure dives selected for the course can vary, but will generally include five of the following:

- Peak Performance Buoyancy
- Underwater Navigation
- Night
- Deep
- Search
- Wreck

Prerequisites

To enroll in a PADI Advanced Open Water Diver course, you must be 12 years old or older and already hold an Open Water Diver certification. You need adequate swimming skills and need to be in good physical health. A medical statement must be completed.

What's Included

For current pricing or schedule, please call us or visit our website. The price includes an academic session, where knowledge reviews will be discussed. Each student will be provided with a Manual.

Personal Equipment

For the certification dives, each student will need to provide their own mask, snorkel, fins and wetsuit boots. Because of the personal nature of these items, they are not available for rental. Sea Colony offers a large selection of quality, state-of-the-art scuba equipment for your needs. Please refer to the Personal Equipment brochure for more information.

Certification

Upon completion of one the academic session , you must participate in five open water certifications dives. These can be done in a single weekend with Sea Colony at Lake Phoenix in southern Virginia or during our annual Spring Break trip to Key Largo. The cost of the certification dives is not included in the cost of the course. For more information on these certification dives, please read our Certification Dives brochure.
